RADIO CAN'T ANSWER.
BIG BRAIN, BUT UNWISE.
JAPAN IN SOUTH AMERICA.
IMAGINE HER SURPRISE.

THE President appeals to the nation by radio, to support the world court. This is, in part, a reply to the state of Illinois which, with 200,000 votes to spare, nominated Mrs. Ruth Hanna McCormick for the senate. Her campaign was an attack on the world court. Her opponent, Senator Deneen, favored it.

THE RADIO GIVES you no answer. Talk as earnestly as he may, the president cannot know what his hearers think. If "listeners-in" would write to "President Hoover," Washington, D. C.: "I do not want the United States in the world court (or I do want the United States in the world court)" that would be enlightening.

Russia laments its "best poet," Vladimir Mayakovsky, who killed himself recently, leaving his brain to the "soviet institute of brains." It was dissected, studied, found to weigh 1,700 grammes and put away with the brains of Lenin and others.

It was a big brain, heavier by 400 grammes than the average, but not wise enough to keep the poet from killing himself.

The poet's farewell letter requests the "comrade government" to take care of his mother and sister, also "Lily Brik and Veronika Polonskaya."

The last two ladies both loved him, at least he thought so, and he killed himself because he couldn't decide which of the two he liked better.

All poets are more or less queer, Russian poets probably the queerest.

JAPAN'S PLAN FOR extensive colonization in Brazil is proceeding energetically. Hashiro Fukuhara, who organized and manages the "Japanese Colonization Company of Plantations in Brazil," has secured 2,500,000 acres.

Hundreds of thousands of Japanese can live and grow prosperous on that fertile soil.

The crops will include cotton, rice, tobacco and the cocoa bean.

INTELLIGENTLY managed, Brazil's Japanese colony will sell supplies to its members below usual prices. Three million cocoa trees will be planted in the next two years.

The development of cotton lands will, of course, influence world price established in Europe. Coupled with energetic British development of cotton in Africa, this interests American cotton growers.

HASHIRO FUKUHARA'S idea interests North and South America.

There are fertile lands and opportunity for tens of millions of Japanese in Brazil. There may also be some problems in the Asiatic settlement. But it is Brazil's problem and business, not ours.

THE FRENCH HAVE a saying: "Nul ne peut se dire heureux avant son dernier jour." ("No man can call himself happy until his last day.")

In the German poem one man says to the tyrant of Samoa, "Dick karu mein mund nicht glucklich sprechen, so lang des feindes auge wacht." ("My mouth cannot call thee happy as long as the enemy's eye is open.")

In other words "he hath put down the mighty from their seats," and done it often.

PROBUS, WHO BRAGGED of his gold and power, found himself later on top of Cynus bonfire. A few days ago Grand Duchess Marie, member of the royal house of Russia, now in New York, earning a living, was told by a friend where interesting books in Russia might be bought. One that she bought was a book of Russian fairy stories that her father had read to her when she was a child. It had his name and bookmark in it.

Very valuable and interesting would be the books of old Voltaire, with margins of pages covered with notes in his fine handwriting.

The grand duchess says those books, bought by Catherine the Second when Voland died, are all carefully preserved by the soviet government.

AFTER GERMANY LAUNCHED the great steamship Bremen, it was said that British and Americans could not afford a 50,000-ton ship. It would cost more to build and than it could earn. But launching of the German super ship Europa, has stirred up the old Cunard line and it will build two passenger ships of 70,000 tons each, faster than any passenger ship on the ocean.

The first one will be ready in 1933.

The British do not mean to lost control of ocean traffic.

THE WISE GERMANS announce a merger of the Hamburg-American and North German Lloyd lines. The two big companies will "retain their identities," while cutting off business overhead expenses.

OVER \$400,000 IS SPENT IN YEAR

Denies Charged Of Lobby Activities Lodged Against Group

(By The Associated Press)
WASHINGTON, April 16.—Continuing that three out of four persons in the United States were in revolt against prohibition, Henry H. Curran, president of the Association Against the Prohibition Amendment, testified today before the senate lobby committee that his organization had spent \$427,213 last year in working for repeal of the dry laws.

Part of the money was used, he added, in working for a candidate in the recent primary in western Massachusetts, and at the present time the organization is advocating the election of three candidates for office in Pennsylvania.

He said it had not been decided whether the association would participate in the Illinois senatorial election, in which Representative Ruth Hanna McCormick, Republican dry and James Hamilton Lewis, Democratic wet, are the competing candidates.

Testifying in an even tone for the most part, Mr. Curran predicted that prohibition would be repealed and denied that his organization had engaged in "lobbying activities."

He was directed to reappear again tomorrow for further questioning.

COUNCIL TOLD OF GRADE CROSSING

Asked To Take Action For Repairs; Park Is Discussed

City council was asked to take action in securing improvement of the Pennsylvania railroad crossing at West State by Councilman L. R. Cobb, chairman of the streets, alleys and sidewalks committee at the council meeting Tuesday night. Improvement of crossings here has been urged by the Salem Business bureau and council will co-operate with that organization in securing action.

Frank L. Rollins and H. H. Sharp, members of the park commission, attended the meeting and requested council to pass legislation establishing dates for the opening and closing of Centennial park. The commissioners also asked that council pass ordinances establishing salaries of park employees.

GUARD SEARCHES FOR LOST FLIER

Pilot Of Biplane Missing After Flying In Heavy Fog; See Oil Spot On Water

NEW YORK, April 16.—Coast guard boats were ordered out today to drag the ocean bottom at the mouth of Gravesend bay in an attempt to learn the fate of Ralph White, student pilot, who disappeared Sunday.

Capt. Lewis E. Yancy, navigator of the New York-to-Rome, and the New York-to-Bermuda flights, located an oil spot on the ocean yesterday, at Gravesend bay, which he said he believed indicated that the missing biplane and its pilot went down there. Witnesses said a plane was seen to dip to the surface of the bay in the vicinity where the oil spot was located.

The flier disappeared Sunday in a heavy fog which enveloped Long Island air ports and emergency landing fields.

County Auditor To Address Club Here

Elmer Walker, of Damascus, county auditor, will be the speaker at a meeting of the Kiwanis club at noon Thursday at Memorial building.

Walker will discuss some phase of the tax question. An inter-city meeting is announced for April 22 at Leesonia.

MAIN HIGHWAY FLOODED WHEN WATERS RAISE

Ohio State Route Is Closed As Erie Rises With High Wind

TOLEDO, April 16.—Driven by sharp northeast winds, Lake Erie and Maumee bay were bulging over their banks today causing extensive damage to property.

The water began to come in late yesterday and reached its highest stage between 6 and 11 a. m. when many buildings were awash and waves were smashing over breakwaters. The water subsided slightly during the early hours of this morning, but at 8:30 a. m. it appeared to be getting higher.

The fishing industry was at a standstill and fishermen feared that the high, rough water may have caused extensive damage to nets. It also was necessary to suspend all outside construction work on the dock development at Presque Isle because of the high water.

Lakeside and Lakewood, Mich., summer resorts 12 miles north of Toledo, suffered heavy loss from the storm. Deputy Sheriff Fred Dorn, who guards the resorts said that the water was higher than it had ever been in nine years he has been on duty there.

State highway number 2, the lake front drive from Toledo to the lake east, was closed. The water was three feet above the pavement for a quarter of a mile stretch.

TWO ARE HELD IN MURDER QUIZ

Government Employee Is Found Dead Near National Cemetery

WASHINGTON, April 16.—Two suspects, one arrested in Washington and the other taken from a freight train in Maryland, were under investigation today in the efforts of the police to solve the mystery of the death of Mary Baker, 30-year-old government employee.

The authorities kept the identity of both a secret, but disclosed that the arrest in the city came about as the result of information obtained from Miss Baker's friends as to those with whom she had been in company shortly before her death.

Miss Baker's body, bruised and pierced by bullets was found on Saturday, stuffed into a culvert near one of the entrances to the Arlington national cemetery. Several hours before her automobile had been found, streaked with blood, some distance away.

The arrest of the suspect in Washington was followed, the police said, by the discovery of a blood-stained shirt in a suitcase believed to have been his property. The police expected to submit him to a rigorous cross-examination, requiring a detailed explanation of the shirt and an account of his movements on Friday night.

The man arrested in Maryland was held overnight at an unrevealed place. The arrest was announced as having taken place "north of Baltimore."

INDIAN RIOTING GROWS SERIOUS AS MOBS FORM

One Killed, Many Injured As Disorders Grow In Nation

EXPECT TROUBLES TO OCCUR TODAY

Police Casualties Also Reported After Many Clashes

(By The Associated Press)
KARACHI, INDIA, April 16.—One person was killed, seven were seriously injured and 26 others were slightly injured in rioting here today after a mob had stormed the magistrate's court.

Police fired on the mob and beat off many of the rioters with clubs. Then, aided by Indian troops, they arrested the leaders and took them to the Karachi jail.

LONDON, April 16.—The Exchange Telegraph company in a dispatch from Bombay said there was danger of serious trouble later this evening. Three hundred nationalist volunteers marched from congress house at noon with the deliberate object of raiding the government's salt pans and depots at Wadai, eight miles away.

Police earlier had arrested six leaders of the all-India national congress. They will be taken before a magistrate immediately to answer charges growing out of their participation in the civil disobedience campaign by which Mahatma Gandhi and his devotees have won independence from Great Britain.

The camp of the Satyagrahis, as the Indian nationalists are called, and the Sawai Ashram and Hindu Jati printing offices, were searched, and books, flags, and sign boards seized.

Dock laborers and sweepers went on strike this afternoon in protest against the arrest of six leaders of the all-India national congress earlier in the day.

COUNTY AUDITOR ADDRESSES CLUB

New Taxation Theories Discussed At Rotary Gathering Here

Theories for a new system of taxation in Ohio were advanced by County Auditor E. E. Walker in a speech before Salem Rotarians at the Elks home here Tuesday afternoon.

Walker spoke on the subject "Taxation" and discussed a new theory advocated in this state and which is being studied by a taxation committee appointed by Gov. Myers Y. Cooper.

The theory concerns elimination or reduction of taxes on automobiles, household goods and intangible properties, and an excise tax on luxuries, tobacco, personal property and other goods.

Walker explained that the adoption of this system will result in a more equitable distribution of taxation assessments among the state's residents and property owners.

Pythians Will Hold Cleveland Meeting

Knights of Pythias of Ohio are preparing to initiate several hundred candidates in the page rank at a meeting, Monday evening, April 22, at Cleveland. The work probably will be in the public auditorium in that city. There will be a banquet in connection.

Harry M. Love, supreme keeper of records and seals, will assist in initiating this class, using the original Rathbone Bible. The work will be exemplified by the grand officers.

There probably will be candidates from Salem in the class. Those desiring transportation are asked to call E. E. Apple, of North Lincoln, ave.

Prosecutor Shot

I. YDALL WRIGHT (below), 30, former "boy" sheriff of Juneau county, Wis., was arrested in connection with the shooting of Clinton G. Price (above), district attorney. Price was killed by a shotgun charge fired through his open kitchen door at night. Bloody finger prints left on a boat led to the arrest of Wright.

The situation with reference to Japan creates considerable doubt that this will be the case, however. If the Tokyo government should debate in typical oriental manner—as it did on the Reed Matsudaira compromise—on the terms of the treaty a delay of some length might intervene before approval was given, and the final signing ceremony held.

Transmission Difficult
There is too the necessity of the transmitting the draft form to Tokyo in "Romanji," or anglicized Japanese in which the words are long and such that each letter must be tapped out separately instead of coding and contracting as is done with European language messages.

It was estimated it would take many hours to transmit the 12,000 to 15,000 words of the treaty to Tokyo for consideration there.

Prime Minister MacDonald left London today in an airplane for his old home at Lussmouth, Scotland, where he will spend the Easter holidays. The prime minister, much worn in health as a result of the long naval conference grind, did not leave, however, until he had a last minute conference with Secretary Simson and Reijiro Wakatsuki, head of the Japanese delegation.

Lyall T. Wright, ousted "boy sheriff" of Juneau county, is held in jail accused of slaying Price. Last Friday Wright was sentenced to eight months imprisonment in connection with the same conspiracy case. The charge was the result of finding a huge still on the Schultz farm.

Price was killed Sunday night by an assailant who fired shotgun slugs through a kitchen window of the Price home. Wright was arrested after a trail of blood led from a spot near the Price home nearly to Wright's back door.

OHIOANS HONOR APPLE PLANTING

Other State Joins In Festivities Held Annually; States Send Speakers

POMEROY, April 16.—Thousands of this section of the Ohio river valley made today a festive occasion in honor of their economic standby, The apple.

Planting of the first apple tree was included in a pageant of the area's historical events as one of the highlights of the program at the Point Pleasant fair grounds. Preceding the pageant, a parade was scheduled to start from the West Virginia side of the Pomeroy bend bridge.

Speakers on the program included Lieut. Gov. John T. Brown of Ohio, Secretary of State George W. Sharp of West Virginia, representative Gov. William G. Conley of that state, and A. J. Middleton, president of the Ohio Valley Apple Blossom association.

Easter Rabbit To Stage Egg Hunt For Kiddies Saturday

Salem children who have enjoyed the annual Easter egg hunt staged here the last three years, will be interested to know that the "Easter bunny" is busy this week, arranging with Joe M. Kelley, manager of the Memorial building, in planning for the fourth annual hunt, which will be at 10 a. m. Saturday at Centennial park.

In case of inclement weather the event will be carried out at Memorial building.

This "Easter bunny" seems to favor the little tots of the city, for announcement is made that 12 years is the age limit for children participating in the hunt.

"Mr. Bunny" is asking co-operation of Salem citizens for this event and those who will donate eggs are asked to call Kelley. Colored or uncolored will be acceptable.

Last year 500 eggs were used for this frolic, which brought happiness to 400 children.

LINDBERGH TO ATTEMPT TRIP ACROSS NATION

Experimental Flight To Start Late This Week, Colonel Announces

LOS ANGELES, April 16.—Col. Charles A. Lindbergh today announced completion of his plans for a takeoff the latter part of this week for an experimental high altitude one-stop flight from Los Angeles to New York.

The famous flier said he and Mrs. Lindbergh, "later in the week," would take off from the Glendale air terminal in their new low-winged monoplane for a non-stop flight to Wichita, Kas., enroute to the eastern city. The flight will be a long distance speed trip at high altitudes, the colonel said.

"The flight will be purely experimental," Col. Lindbergh explained. "We will attempt to take advantage of any aiding winds that can be found, and we will search for these at varying altitudes. Our present plans are to maintain an altitude of 10,000 feet most of the way."

"We therefore urge and request that council take the necessary action to have a survey made of the different systems now in use in other cities, and when completed, a report made to council with a view of purchasing and installing a modern and adequate set of lights to replace the four now in use in the business district."

Altos—Mrs. Helen Wright, Minnie Krauss, Eldred Bodendorf, Albertina Krauss.

Tenors and basses—Mathew Krauss, Leonard Krauss, Clarence Schmid, Fred Theiss, John Krauss and Walter Theiss.

Thelma, John Krauss and Walter Theiss.

Karl Krauss will preside as chief chorister.

Dog Owner Fined For No License

LISBON, April 16.—John Hutter, a farmer residing near Winona had a dog that killed two sheep and wounded another, owned by a neighbor of Hutter. Hutter had failed to take out a license for the dog, and a charge was filed against him by County Dog Warden C. E. Donahay before Justice of the Peace H. L. Weikart at Damascus, for harboring a dog without having a license.

Hutter entered a plea of guilty, was fined \$25 and costs and then the dog was killed.

Fire Captain Ill In Hospital Here

George Lewis, veteran captain of the Salem fire department, was taken ill suddenly Tuesday night and is in a critical condition in Central Clinic hospital here today.

He is reported to be suffering from an ulcerated stomach. Hemorrhages resulted in heavy loss of blood during the night at his home and he was removed to the hospital this morning.

His condition was reported slightly improved this morning but was still critical.

2 MONTH SURVEY DISCLOSES FACT, COMMITTEE SAYS

Methods Of Handling All Auto Problems Are Held Inadequate

RECOMMEND NEW LIGHT SYSTEM

Would Recodify Ordinance Governing Travel On Streets Of City

Recommendations that action be taken towards the installation of a new, modern traffic light system in the downtown business district were presented to city council in a report by the city's traffic commission Tuesday night.

The present system of lights was declared inadequate and antiquated by the committee following a survey covering a period of two months. The committee, appointed by President of Council Geo. F. Koontz, is composed of Councilman Samuel Krauss, chairman; Police Chief T. W. Thompson and Councilman L. R. Cobb.

Investigations covering every phase of the city's traffic problems are being conducted by the committee. Krauss reported, and recommendations for a recodification of all traffic laws here will be made at the next meeting of council, Tuesday, May 6.

The need for a new traffic light system was declared an absolute necessity by the commission which recommended that the new lights be purchased and these now being used in the business section be taken down and installed in other sections of the city where needed.

The commission was authorized to continue its investigations by Council Geo. F. Koontz, after a careful study of traffic conditions existing in the city of Salem. The report submitted by the committee follows:

"We therefore urge and request that council take the necessary action to have a survey made of the different systems now in use in other cities, and when completed, a report made to council with a view of purchasing and installing a modern and adequate set of lights to replace the four now in use in the business district."

"It is our opinion that these lights now in use can be installed in other parts of the city where needed."

ALAN ADDRESSES WOMEN'S GROUP

"Philosophy Of Happiness" Title Of Speech By Superintendent At Meeting Here Tuesday

J. S. Alan, superintendent of Salem's public schools, discussed the "Philosophy of Happiness" at a dinner meeting of the Quota club Tuesday evening at the Elks home.

Alan talked about the different ways of being happy and pointed out that work was much easier when one assumed a happy attitude.

The club accepted an invitation from the Youngstown club to be its guest Monday evening. Some of the members are planning to go.

A meeting in two weeks will be at the home of Mrs. J. W. Hendricks, Goshen rd.

Commissions Do Not Let Contracts

LISBON, April 16.—County commissioners did not award contracts for maintenance and repair of roads in three patrol districts in the county as had been planned Tuesday afternoon.

The contracts will be readvertised, and the specifications will be revised so that bidders can enter proposals for either one or two year period.

These bids will be opened by the commissioners at their regular meeting April 28 for the care and maintenance of roads.

FAITH IN THE WORLD COURT

The Daughters of the American Revolution is not on record as being opposed to the world court, but its aversion to "entangling alliances" is well known. Mrs. Ruth Hanna McCormick and former Senator James A. Reed of Missouri, both avowed opponents of the court, have been invited to speak in behalf of the D. A. R. a fact which has strengthened popular belief that the organization opposes the entrance of the United States into an international tribunal. It was, therefore, with some trepidation that members attending the thirty-ninth continental congress of the D. A. R. awaited President Hoover's address Monday night. Would he please the D. A. R. or would he speak as a Quaker who has urged his country to contribute to the cause of world peace by entering the world court?

Mr. Hoover stood by his guns. The United States has helped establish the world court. It is honor-bound to join it because of the very fact that its own security is assured to a greater degree than that of its neighbors. Furthermore, the great body of international law and precedent demand interpretation which only a world court can give. It is as unthinkable to try insuring world unity without an official court as it would be to try insuring civil, state or federal unity without a judicial system. These things and many more of a similar tone were the substance of Mr. Hoover's address to an organization which, true to its origin, stands for national defense and a self-sufficient country aloof from international entanglements. His listeners applauded as the president concluded:

"For the American people want peace in the world, not alone as a matter of material interest to our prosperity and welfare, but because of the moral and spiritual forces of the world are made through peace and not through war."

The issue of the world court has been reopened widely in this country by Mrs. McCormick's victory in the Illinois primaries for senator on the Republican ticket. She conducted her campaign on a platform containing an anti-world court plank and was victorious. Her victory, however, is not proof that Illinois is unfavorable to the court and it certainly has no bearing on the national attitude.

It must be remembered that Mrs. McCormick's supporters were interested also in her candidacy as a woman, somewhat of a novelty in national politics, and that she had manifested a reasonable definite stand supporting prohibition. Furthermore, responsible interpreters of national politics have pointed out that any candidate could use the world court to his political advantage if he took a negative stand.

It is true that an issue involving something controversial and on which there is scant information will poll an unfavorable vote. It has worked, it worked for Mrs. McCormick and it will work again. People reason that it is better to stand still or back up than to go forward without perfect assurance.

That assurance in the matter of the world court must come from the unflinching faith of influential leaders who believe in its ability to promote the cause of world peace. In a large sense, support for the court can only be engendered by the realization that "the moral and spiritual forces of the world," as they are described by President Hoover, are fully as important as "material interests to our prosperity and welfare."

Governor Roosevelt protests the absorption of states rights by the federal power; but the states' rights safe door has already been burglariously jimmied—Atlanta Constitution.

What Others Say

THE PAGEANT OF "CONTROL"

Today for the first time the history of man's effort and achievement in control of physical forces through the science and art of engineering are presented dramatically. It is done in the very room in Stevens Institute where American mechanical engineers first met to organize themselves into a society. Artists have undertaken to show in pictured scenes some of their triumphs, and the stage has often taken over as its properties some of the engineer's mechanisms. Poets have seen the significance of the gradual victory of man over his environment. The British Post Laureate gives a hint of this in the lines:

Or what man feeleth not a new poetry of toil
Whenas on frosty evenings 'neath its clouding smoke
The engine hath huddled up its clumsy thrashing coach
Against the ricks, wherefrom laborers standing aloft
Toss the sheaves of its tongue.

Professor George P. Baker in his drama has sought to connect events in engineering with our cultural development. He does not go back to the fire-bringer, or to the steam-creator, Prometheus, or to the ingenious Archimedes, who longed for the fulcrum of control. He begins with James Watt, save as the symbolic figures suggest the mysteries that surrounded man from the beginning and invited his curiosity, and from his workshop traces the throbbing power of steam in its myriad noisy ministries and then of the magical electricity which hums and speaks and listens around the world. There is epic material in this story of control such as the ancient Greek dramatists would have eagerly seized. It is here used in the brief prologue of the drama of the new century.

The engineers, who see things with their mathematical sight before they come into actual being, are the prophets always of what lies a little way ahead in man's progress. They are the explorers for "comforting powers" in the nature about man that seems so often hostile, unkind and cruel, till its way are understood. And they are, as the Laureate suggests, the precursors of the art which is "the happy science" of the soul, exploring nature for "spiritual influences."

To art in one of its varied forms we are indebted that it can recall these prophets to life in the midst of the mighty structures which their science has builded, and illustrate the advance which man has made in controlling the forces that once enslaved him.—The New York Times

HEALTH

By Dr. Royal S. Cleveland

PLAY AND LAUGHTER

Since the beginning of time man has been thinking of his needs and what is good for him. Yet there are persons today who do not know how to play or to laugh except on rare occasions.

Such a person may say that play is a waste of time. He may think he hasn't time to throw away on it. This is a great mistake.

Both body and mind are greatly helped by joyous play and a good laugh. A normal person turns instinctively to play. Just so long as men and women love play, and embrace every opportunity to play, old age will be left behind.

There isn't the slightest doubt that play, fun and laughter are agents of health. The nerves are soothed by them, digestion is promoted by them, the circulation of the blood is quickened and stimulated. The heart is made stronger.

Every kind of laughter from a giggle to a loud "haw-haw," has a favorable effect on the one who laughs, said Dr. Frederick D. Stricker, Secretary of the Oregon State Board of Health, in a recent discussion of the subject. He says that one of the most favorable influences exerted on the heart when a person is depressed, is wholehearted laughter.

It is easily understandable that one's mental outlook is distinctly helped by play and laughter. But Dr. Stricker points out reasons why there are body benefits to be derived from laughter, as well.

He explains that the up and down movements of the diaphragm in laughter cause a direct massage of the heart. This stimulates its activity.

He explains, also, its effect on the lungs. The jerky movements of the diaphragm in hearty laughter cause the air within the lungs to be brought to a somewhat higher pressure than usual. This reacts upon the heart and helps to stimulate it. More oxygen reaches the blood in laughing and this, too, has its beneficial effects.

You know how you feel when you are depressed. All the world looks dark and everything seems hopeless. Now is the time to drop what you are doing, if you can. Go to the theatre and see the funniest play you can find. Or get out-of-doors for a good game of golf or some other form of play. Have a good time and forget your troubles. Have a good, hearty laugh, and you will soon find your mental outlook to be changed. Although you may not know it, your very health is changed for the better.

Children, from the time they can walk and talk, instinctively turn to play. They are never still. They find joy in play, and have bodily exercise at the same time. In this

matter they offer a good lesson to grown-ups.

When you are at play, that part of your brain used in your daily business and work is in repose. It is preparing itself for tomorrow's work. Other parts of your brain are new active, and your whole body is being charged with new vigor.

Don't be afraid to spend some time in play and laughter. Have real fun as often as you can find it. Take time to keep happy and well. You will keep young along with youth, and life will have more zest for you, and for those with whom you come in contact.

Highlights Of Ohio History

By J. H. GALBRAITH

An old number of the American Magazine contains a story of the life of Col. Ike T. Pryor, noted Texas cattle king, which has a connection with the experiences of an Ohio regiment in the Civil War and especially of an officer in that regiment, the rear-ventral surgeon, who was afterward one of the prominent physicians of Columbus—Dr. R. Wirth.

Pryor was born in Tampa, Fla., but left an orphan at 5 years, went to live with relatives at Spring Hill, Ala. Later he was adopted by an uncle who was unkind to him and he ran away and tried to find "Cousin Sally," whom he liked very much, but who had married and was living in Nashville. He did not know what his cousin Sally's married name was, and so, of course, could not find her. He fell in with the Third Ohio Cavalry, where a company took a liking to the boy and carried him along as the regiment moved, a pony being secured for him. Fitted out with a sergeant's uniform, he became the regiment's mascot.

But Dr. Wirth was much worried about the boy separated from his family as he evidently was at that tender age, about nine years old, and when an officer was to leave for the north to go near the doctor's home at Port Clinton, the boy was sent with him to be cared for there until the war was over. He did not like the humdrum of life there and planned to escape on one of the ships leaving the port.

But things were working for him in the south. Under Grant's orders

BUICK
ACCEPT THIS
INVITATION—

Prove BUICK supremacy in traffic, on hills, on the straightaway—choose the car that's winning two-to-one buyer preference in its field.

May we make just one suggestion: Take the wheel of a BUICK and experience the full measure of its abilities before buying any car. Then buy according to results!

Performance! That's what you want... performance plus the exceptional beauty of Body by Fisher... and a ride in any one of the 15 Buick models will prove a revelation of

power, flexibility, swiftness, smoothness and stamina.

Fine car owners everywhere are preferring Buick. In fact, so marked is the trend to Buick that America is awarding it from 35 to 50 per cent of the combined sales of the fifteen makes in its price class. But be your own judge of Buick's performance and value. Come, take the wheel!

SIXTEEN JAILED IN MIAMI DEATH

Six Men Face Charges Of
Murder In Drowning
Of Hi-Jacker

MIAMI, FLA., April 15.—Sixteen men, six of them formally charged with murder, were in jail today while officers continued their investigation of the kidnapping of four alleged liquor hijackers and the drowning of one of them, Joe Durrance, 24, in the Miami canal Monday morning.

Authorities said they had information that Durrance and his companions were kidnapped by a group led by J. L. "Red" Slattery in retaliation for the theft of a quantity of liquor and that Durrance drowned as he leaped into the canal after he had been taken into the everglades and beaten Sunday night.

Slattery, three men said by officers to be his associates in liquor operations, a night watchman and Brently Busbee, one of Durrance's companions, were charged with murder.

Will Durrance, father of the dead man, and Charles Mathis, both of whom were kidnapped and eight men described as employees or relatives of Slattery were held for questioning.

A raid last night on the Hialeah headquarters of Slattery resulted in the arrest of four of those in custody and the seizure of a quantity of guns and ammunition.

STUDENTS NOT FOR DRY LAWS

Saloon-League Speaker Heckled By
Audience; Janitor Turns
Out Lights

CHICAGO, April 15.—George B. Safford, superintendent of the Illinois Anti-Saloon league, was repeatedly heckled last night as he defended prohibition at a meeting of the liberal club at the University of Chicago.

The meeting wound up suddenly when the janitor turned out the lights.

It was a very wet night, which may have accounted for the slim attendance. Most of the 21 students present, however, were in an argumentative mood and they broke frequently upon Safford's remarks. The anti-saloon league leader's statement that prohibition had decreased drinking among college students was attacked by his listeners, one of whom interrupted to say that students drank more now than they ever did.

INDIANS OBJECT TO DEATH TRIAL

Have No Sympathy For Aged Squaw
Or Spinster, But Do Not
Think All Is Told

BUFFALO, N. Y., April 15.—The council of the Seneca national Indians at a pow wow at Salamanca which ended this morning expressed dissatisfaction over the manner in which the recent Marchand murder case was handled.

The Indians held no briefs for Nancy Bowen, the old woman who hammered the Buffalo artist's wife to death, or Lila Jemerson, the Cayuga spinster who pleaded guilty to second degree murder before her case went to the jury, but were emphatic in their conviction that all the evidence in the case was not uncovered and all the guilty parties not brought to justice.

Only Nancy Bowen still is in jail awaiting trial, which is expected to start in about two weeks. Robert P. Galloway, her counsel, was at the council meeting by request.

"The reputation of our whole people is at stake and if the whole story has not been told, we think in fairness to all, it should be," Clerk Adlai Williams declared.

Kellogg Resigns Grain Board Post

CHICAGO, April 15.—William G. Kellogg's resignation as an official in both the grain stabilization and Farmer's National Grain corporations was announced yesterday, effectively immediately.

In the first of the two corporations, both of which are sponsored by the federal farm board, Kellogg was replaced a week ago as president by George S. Minor of Alton, Ill., and was made a vice president.

Police Investigate Cause Of Man's Death

CLEVELAND, April 15.—Fred Manfrida, 45, member of a hod carriers' union, died early today, a short time after he was picked up in the street unconscious from a fractured skull.

A police had not determined whether he was the victim of a hit-skip motorist or had been shoved from an automobile seen speeding away soon afterward with one door open.

Fred Goldberg of Youngstown has purchased a 15-acre fruit tract in section 19, Unity township from the First National bank of East Palestine according to a land contract that has just been filed for record. The agreement is to extend for a period of five years on a purchase price of \$6,000.

Fire Holds Threat

MARENGO, WIS., April 15.—A forest fire that threatened to force farmers and residents of this town from their homes was brought under control early today. The fire started Monday in slashings left by the old Mellen Lumber Co. Thirty men fought more than 30 hours before the blaze was controlled.

Solemn Ceremonies Mark Holy Week Observance In Vatican; Thousands Gather In Church

(By The Associated Press)
ROME, April 15.—A solemn procession in the church of St. Mary Major, otherwise known as the Liberian Basilica, this morning ushered in the ceremonies attendant on Rome's observance of the Wednesday of Holy week. In mournful cadences the chanting priests recounted the story of the passion, as told in the gospel of St. Luke, preceded by two lessons taken from the prophet Isaiah, foretelling the sacrifice of Christ.

WEALTHY WOMAN SEEKS DIVORCE

Aviator Husband Flies Too High
For Middle-Aged Wife;
Specifies Charges

CHICAGO, April 15.—Enrique Deschov Von Buelow, who called himself a count, again has been named defendant in a divorce action by the wealthy Mrs. Lottie Brenner Von Buelow. Cruelty and misconduct are the charges.

In the bill, filed yesterday, Mrs. Von Buelow, who is 38 years old, stated that her young husband appeared at her home Saturday night accompanied by two women and a man. He proposed that Mrs. Von Buelow join them on a tour of the night clubs. Mrs. Von Buelow refused, and ordered the party from the house.

The divorce is the second filed by the wealthy Chicago woman in recent weeks. The first bill was withdrawn Saturday and it was announced that she and her husband had effected a reconciliation following a joint experience with robbers. The thieves, posing as census takers, took jewels valued at \$30,000 from Mrs. Von Buelow's Sheridan road residence.

Mrs. Von Buelow charges in her new bill that her husband married her for her money, and that she had spent \$25,000 on him. He was a commercial aviator when she met him in Central America early last year.

It was a very wet night, which may have accounted for the slim attendance. Most of the 21 students present, however, were in an argumentative mood and they broke frequently upon Safford's remarks.

The anti-saloon league leader's statement that prohibition had decreased drinking among college students was attacked by his listeners, one of whom interrupted to say that students drank more now than they ever did.

EAST LIVERPOOL, O., April 15.—Six representatives of the French ceramic industry returned to Pittsburgh Tuesday, preparatory to going to Columbus tomorrow, after a visit to the East Liverpool pottery district today.

The tourists, who arrived in the United States this month for an inspection of American industrial plants, were escorted here this morning by Beaver Valley (Pa.) manufacturers.

The visitors spent the forenoon at the \$1,500,000 plant of the Homer Laughlin China Co. in Newell, W. Va. At noon they were guests at a Rotary club luncheon. This afternoon they visited the Hall China Co.'s main plant.

Man Arrested For Robbing Poor Box

CHICAGO, April 15.—Credit men estimate that 95 per cent of the people are honest, but just the same some Chicago churches have burglar alarms on their poor boxes.

The Rev. Fr. Dugan was conducting funeral services yesterday at the St. Carthage Catholic church when the poor box alarm rang. The services were interrupted just long enough for the priest to apprehend a man who said he was Julius Goss and in whose pocket police said they found \$1.31 of poor box money.

Lumber Man Dies

ST. PAUL, MINN., April 15.—Thomas Irvine, nationally known lumberman, died last night at his home. He was 88 years old, and was the last surviving member of the original coterie of lumbermen associated with the late Frederick Weyerhaeuser, Sr.

At the conclusion of each "tenebrae" service, the attending clergy, made a noise by clapping their prayer books or knocking on their choir-stalls, to represent the earthquake chronicled in the Gospels as having marked Christ's passing away. After that in each church the one preserved candle was brought out from the sacristy, to symbolize the resurrection.

Children Almost Hate Cross, Nervous Mother

Social Affairs

GILBERT AUXILIARY

Mrs. George Miser gave a talk on "The Negro in America," at a meeting of the Anne B. Gilbert auxiliary of the Presbyterian church Tuesday evening at the church.

A letter from Miss Helen Moore, missionary in Africa, was read by Miss Ewing Resler. Musical numbers included: Piano solo, Mrs. J. W. Hendricks; vocal solo, Miss Ora Vincent; mandolin solo, Mrs. John Burns, accompanied by Mrs. Hendricks.

At the social period lunch was served by Mrs. O. P. Ashford and Mrs. Elijah Gray. The next meeting will be on May 20.

MISS JONES HONORED

Miss Eleanor Jones, of Salem, junior at Mt. Union college, Alliance, was elected president of Delta Nu chapter of Delta Delta Delta fraternity at a meeting Monday evening at Alliance.

Miss Jones is active in campus affairs. She is vice president of the Women's Student senate and social chairman of the Y. W. C. A. She was chosen Carnival queen at the college carnival given during the winter by the Y. W.

As president of the fraternity she will become a member of the Panhellenic council on the campus.

MISS HUXLEY TO WED

Miss Ruth Huxley, daughter of Mr. and Mrs. J. P. Huxley, of Youngstown, former Salem residents, and Randolph Paris, of Youngstown, will be united in marriage Saturday evening at the home of the bride's parents. They will spend their honeymoon abroad.

The young people were honor guests at a dinner given by Dr. and Mrs. Walter B. Turner, of Youngstown. The dinner was served buffet fashion, and the table was graced by pink tulips, snapdragons and green princess candles.

MARY CARR CURTIS GIRLS

When members of the Mary Carr Curtis girls of the Methodist church met Tuesday evening at the home of Miss Virginia Marshall, East Third st., plans were made for a May Day party on May 2. A dinner will be a feature of the party, which will be held at the home of Miss Gladys Fultz, East Third st. A meeting on May 20 will be with Miss Margaret Kirkbride, North Ellsworth ave.

GUESTS AT DINNER

Mr. and Mrs. W. P. Davis, of Salem, were among the guests when Canton Alliance No. 98, Patriarchs Militant, celebrated its 14th anniversary with a dinner Monday evening. Mr. Davis was one of the speakers on the program.

Today's Pattern

THIS cunning little bloomer frock borrows its chic from the grown up mode in which capes predominate; and isn't it charming? Three inverted pleats give ample grace and freedom to the dress. The collar and bloomers are finished daintily with pleated ribbon or lace while a pert ribbon bow trims the front neck.

Design 1715 may be made of crepe de chine, organdies, voile, pongee, batiste, lawn, etc. White and the pastel shades are delightful for little girls, either plain or dotted in contrasting color.

This pattern may be ordered only in sizes 2, 4 and 6. Size 2 requires 2 1/2 yards of 40 inch material.

No dressmaking experience is necessary to make this model with our pattern. Yardage for every size, and simple, exact instructions are given.

COUPON

This pattern will be delivered upon receipt of 15c, coin or stamps, carefully wrapped. Latest Fashion Book 10c. Send all orders to SALEM NEWS PATTERN DEPARTMENT, 243 WEST 17TH STREET, NEW YORK CITY.

FLASHES OF LIFE

NEW YORK—Mrs. Fred Moody, the tennis player, and Helen Willis, the artist. Those are the names she prefers herself. Her reason is that in tennis she is an amateur and in art a professional. It happens that her husband is more enthusiastic about her art than her tennis. She plays no bridge, because it takes much time to become a good player. She does not cooking. It's an art, she says but tennis and painting give her no time for it.

NEW YORK—For charity Sir Harry Lauder is to break a rule. He is to sing on a Sunday for the first time to aid victims of tuberculosis.

PHILADELPHIA—A horse is entitled to one bite. County Judge Bouten, who was brought up on a farm, has put Thomas Hanarty's animal on probation. Hanarty was sued for \$5,000 because a youth who hired the horse was bitten. The judge decided that the horse could not yet be called vicious.

NEW YORK—Following is the peroration of Charles M. Schwab in his speech of acceptance upon his election as president of the Pennsylvania society for the fourteenth year: "We must laugh and be happy."

NEW YORK—Miss Lillian Schoenfeld, Baltimore, beauty, is regarded by Magistrate Ewald as public spirited. She came from Baltimore just to appear in traffic court for her brother, who was ill. The

DAUGHTERS OF AMERICA

Five applications for membership were received at a meeting of Plymouth council No. 183, Daughters of America, Tuesday evening at the hall, East State st.

Plans were made for a card party, which will be held Wednesday evening, April 23, at the hall.

MARRIAGE LICENSE

A marriage license has been issued at Lisbon to Charles C. McCauley, of East Liverpool, and Marie J. Chambers, widow, daughter of Mr. and Mrs. James Downard. They were married by Rev. J. M. Cameron, pastor of the Lisbon United Presbyterian church.

The condition of Carl Schmid, who is in Salem City hospital suffering from a fractured skull sustained in an accident, was reported this morning to be slightly improved.

Army Fliers Killed; Civilian Also Dies

CHATEAUBOUX, FRANCE, April 16.—One woman was trapped in a house and burned to death and two pilots were killed as two military combat planes collided over this city today and crashed into the streets.

One of the planes fell in front of the city hall hitting a cab man and slightly injuring him. The pilot was hurled through the roof of a freight car.

The other plane crashed the roof of a house a quarter of a mile distant and trapped a maid in one of the rooms. She was burned to death in the fire which followed the crash. The pilot of this plane was catapulted into the courtyard and instantly killed.

Boy Is Killed

CINCINNATI, April 16.—Bruliah Noll, 21, was charged with reckless driving last night after her automobile had run down and fatally injured Leo Penn, 6.

magistrate praised her in contrast to persons who live around the corner and have to be dragged into court, and he suspended sentence.

RENO—They're taking care that Uncle Sam shall not be gyped by patrons of Reno's most noted industry. Everybody seeking to divide one in two is asked if he or she has been counted up in the census; if not a blank is handed out instantly.

NEW YORK—Professor Michael I. Lupin, born of humble parents in a province of Hungary, is the new president of the University club in succession to George W. Wickersham, the famous scientist immigrated alone and penniless in the steerage.

Forest Fires Rage In Kentucky Area

IRVINE, KY., April 16.—Forest fires, which for days have been raging on the other side of the mountains in Virginia and North Carolina, today were consuming hundreds of acres near here, and at other points in Eastern Kentucky.

Conditions near here became serious yesterday when a sawmill was destroyed, along with lumber valued at several hundred dollars. Fears were expressed that if the flames are not checked within 36 hours they will reach oil storage tanks at Bear Tracks, near here.

Lisbon Pastor To Speak At Service

Rev. Jarvis M. Cotton, of Lisbon, will preach at the Easteride communion service Friday evening at the First Presbyterian church. Salem commandery No. 42, Knights Templar, will be guest at this service, and there will be special music.

Pilot Killed

Darmstadt, Germany, April 16.—Johannes Nehring, Germany's foremost glider pilot, was killed today.

A CLEAR COMPLEXION

Ruddy cheeks—sparkling eyes—most women can have. Dr. E. M. Edwards for 20 years treated scores of women for liver and bowel ailments. During these years he gave his patients a substitute for calomel made of a few well-known vegetable ingredients, naming them Dr. Edwards Olive Tablets. Know them by their olive color.

These tablets are wonder-workers on the liver and bowels, causing a normal action, carrying off the waste and poisonous matter in one's system. If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, take one of Dr. Edwards Olive Tablets right for a time and note the pleasing results.

Thousands of women and men take Dr. Edwards Olive Tablets—now and then to keep fit. 15c, 30c and 60c.

COURT NEWS

Journal Entries

A sale has been confirmed, a deed ordered and a decree of distribution entered in the partition action filed by Frank P. Falter and others against Harry J. Falter and others. Attorney fees have also been approved by the court in this case.

The petition seeking the vacation of an injunction filed by A. A. Streng April 4 last year against Daniel W. Moore, has been dismissed by the plaintiff and at his costs.

Leave to the defendant to file its answer by May 15 has been granted in the action filed against the Hanna Furnace Co. by Peter Neihel and Anna Ehmer.

Judgment for \$255 and costs has been entered by the court against the defendants in the foreclosure action filed by the People's Savings & Loan Co. against Bert Berg and others. A decree foreclosing the mortgage and an order of sale has been entered in the record.

On the grounds of three years wilful absence, the court has granted a divorce decree to John W. Pletcher, against his wife Mary C. Pletcher, and upon the payment of costs. In this case the court has barred the defendant of any dower in any real estate the plaintiff may be possessed.

Judge Sustains Motion

Judge W. F. Loney has sustained portions of the motion filed by the defendant in the injunction proceeding filed by J. H. Hopkins against the City of Salem, and overruled all other parts.

The motion to strike from the petition the paragraph "C" and the ninth paragraph has been sustained, to which the exception to the plaintiff has been entered. In all other respects the motion has been overruled, with the exceptions of the defendant entered. This case will go to trial before the court at 1 o'clock April 28, and is a contest relative to the annexation of additional territory to the city of Salem.

COLUMBIANA

The Sorosis society will meet tonight at the home of Mrs. Linda Fisher, Fairfield ave. instead of meeting with Mrs. C. W. Griswold, as previously announced. The program will be on the general subject, "Neighbors." Miss Edna Van Kirk is on the program for a paper on "The Negro's Contribution to America"; Mrs. L. J. Garrard will discuss "The Indian Problem"; Mrs. C. D. Strickler will give a paper on "Witchcraft," and Mrs. R. E. Weaver will complete the program with a book review.

Mr. and Mrs. Frank Ferrall celebrated their 30th wedding anniversary Saturday evening at their home, Duquesne st., a group of relatives gathered for the event. Mr. and Mrs. Ferrall received a number of useful gifts, and refreshments were served following the social period. Out of town people present included: Miss Alice Hick, East Palestine; Mr. and Mrs. George Ferrall and daughter, Madeline, Crafton, Pa.; Mr. and Mrs. Harry Ferrall, Akron; and Mr. and Mrs. Charles Young, Signal.

Mr. and Mrs. Donald Cole, Willis Cole and daughter, of Canton, were visitors Sunday at the home of Mr. and Mrs. George Cole, North Elm st.

Mr. and Mrs. W. E. L. Donbar, accompanied by Mr. and Mrs. Howard Thompson, East Liverpool, were Pittsburgh visitors Saturday.

Mr. and Mrs. Thomas Atwood and family, Youngstown, were guests Sunday of Mr. and Mrs. Harry Herrman and family, Duquesne st.

Mrs. Willard Vaughn and infant daughter, Martha Joanne, returned home Sunday from the Salem City hospital.

Harry Troll, Youngstown, spent Sunday with his mother, Mrs. Irene Troll and family, North Main st.

Mr. and Mrs. Luther Donbar and children, Howard and Verna, spent Sunday with relatives at Evans City, Pa.

Miss Mildred Lodge of Alliance, spent the week end at the home of her parents, Mr. and Mrs. David Lodge and family, Middle st.

Mrs. Maude Hoffman and children, Joe and Caroline, attended the annual "Pictorial Review" banquet at Youngstown Saturday evening. Joe took part in the "Sales Talk Contest" and Caroline gave some readings on the program.

WALL ST. BRIEFS

NEW YORK, April 16.—The world output of copper in March totaled 4,750 tons, compared with 139,220 tons in February, or a daily average of 4,972, according to the American bureau of metal statistics. These figures compare with production of 192,792 tons in March, 1929, or a daily rate of 6,219 tons.

E. T. McCleary president of the recently formed Republic Steel corporation reports that the demand for automobile alloy steels has improved noticeably in the past 10 days. The corporation's plants at Canton and Massillon O. have been the first to feel this upturn, he added.

Stockholders of the International Arbitrage corporation have been offered rights to subscribe to additional stock at par, \$50 a share, in the ratio of one new share for each four held. On May 14, stockholders will vote on a proposal to split the stock on a 10 for 1 basis.

NEW YORK — Eggs in powder form, 96 per cent fresh! Dr. Ernest Little, dean, announces a development at the Rutgers college of pharmacy.

Lima Man Celebrates Century Mark In Life; Temperate

LIMA, April 16.—Weakened muscles from the effects of paralysis kept "Uncle Billy" Bowdle bedridden today, but he didn't mind. He had made good on his determination to live 100 years.

Bowdle had a big birthday party last night and insisted that every one of the 150 guests had a cut from his giant cake laden with 100 candles. He received a bouquet of 100 white carnations and scores of birthday greeting cards.

Uncle Billy recovered from an attack of paralysis last year and realized his other great ambition—an airplane ride. Since last September 22, however, he has been in bed because of weakened muscles following his illness.

He believes in temperance in all things. Never used liquor, abandoned tobacco 47 years ago, is careful what he eats, reads a church publication and says he had an unbroken record of Sunday school attendance for 98 years.

MARKETS

STOCK MARKET SAGS
NEW YORK, April 16.—The stock market was inclined to sag today, although operations for the advance were pressed forward vigorously in some of the utilities and selected industrial. The market opened firm, and pointed upward for a time, but before midday widespread selling turned the major price movement downward.

Eastman Kodak, Allied Chemical, Auburn Auto, Vanadium, Detroit Edison and American and Foreign power rose 3 to nearly 7 points, the last named reaching new high ground for the year. American Telephone, Electric Power and Light and Public Service of New Jersey rose 2 points or more, and U. S. Steel sold up more than a point.

These gains were not generally maintained, however, and National Cash Register, sagged 3 points to a new low, and Southern Railway reached a similar loss. Shares losing a point or two included General Electric, Westinghouse Electric, Radio-Keith, General Motors, Hupp, Checker Cab, Southern Pacific, General American Tank and U. S. Industrial Alcohol.

Call money renewed unchanged at 4 per cent.

GRAIN CONDITIONS
CHICAGO, April 16.—Owing largely to reports that big producing sections of Kansas still were suffering from lack of moisture, wheat values took an early upward swing today. Talk was current that unless general soaking rains were received before May 1 Kansas might not raise 100,000,000 bushels, compared with 138,000,000 bushels last year. Opening 1/4, 1 1/2 higher, wheat afterward scored additional gains and then reacted somewhat. Corn, oats and provisions were likewise firmer, with corn starting 3/4 G, up and holding steady.

MOVIES

"VAGABOND LOVER"

At The Grand
There are few persons who have not heard of Rudy Vallee, orchestra leader—crooner of songs, singing, dancing comedy-drama. "The Vagabond Lover," his first feature length screen play. Playing opposite him is Sally Blane.

In supporting character and comedy roles are Marie Dressler, Norman Peck, Danny O'Shea, Eddie Nugent, Alan Roscoe, Nella Walker, Malcolm Waite and Charles Selton. Marshall Neilan directed. The Connecticut Yankees, Rudy Vallee's orchestra, appear in the picture and furnish the complete orchestration. Dancing girls are featured in a number of lavish dance ensembles.

"LITTLE JOHNNY JONES"

At The State
Some of the leading race horses and jockeys of the Pacific coast appear in "Little Johnny Jones," which is showing locally at the State.

Three thrilling races, one on a bush track, one on a big New York track and one on the sod at Epsom Downs, England, provide many thrills in this first National and Vitaphone picture, in which Eddie Buzzell, the famous Broadway comedian, is featured.

Twenty-two of the 60 jockeys used and 16 of the 55 horses have been seen in silent motion pictures, but "Little Johnny Jones" marks their debut in sound films.

Killed By Auto

ASHTABULA, April 16.—Injuries suffered last night when he was struck by an automobile while crossing a street in front of his restaurant, caused the death of former Mayor Hiram D. Cook.

MEMPHIS—For 10 years Two Toes eluded hounds and angry armed farmers. In one month his inability to obey the call of the wild killed him in the municipal zoo. Two Toes was a timber wolf that roamed the St. Francis basin in eastern Arkansas. He got his name from maiming of one foot by a trap.

200,000 Attend Openers In '30 Major League Season Monday

Rain Prevents Game Between White Sox, Indians At Chicago

BY HUGH S. FULLERTON, JR.
With the flagpole parades and other opening day ceremonies out of the way for another year, major league baseball players now are ready to settle down to the serious business of trying to keep runners parading across the plate during the next 153 games of the season. Only one opening is left for today. The Chicago White Sox and Cleveland Indians were stopped by rain at Chicago yesterday.

Cold and rainy weather held down the size of some of the opening day crowds, but the 200,000 fans who witnessed yesterday's games found no reason for disappointment. There was a little bit of everything, including the unexpected, taking place.

The two champions of 1929, the Philadelphia Athletics and Chicago Cubs, resumed their places at the top of the standings with victories over the New York Yankees and St. Louis Cardinals, respectively.

The Athletics, behind the brilliant pitching of Lefty Grove, gained a 6 to 2 victory over the Yankees with comparative ease.

LEETONIA

The Women's and Young Women's Missionary societies of St. Paul's Lutheran church met in the chapel Monday evening for their monthly meetings. Mrs. H. C. Brillhart and Mrs. Joseph Woodward were leaders. Forty members and guests of the two societies were present. A short play "Two Masters" was given by the members of the Young Women's society under the direction of Mrs. Woodward.

The characters were: Mrs. Van Horne—Mrs. Lawrence Berg; Mrs. Stuart, her mother—Mrs. Ella Wolf; Janet McCrea, a missionary's daughter—Miss Claribel Bickel; Rachel—Miss Ruby Anglemeyer; Charlotte—Mrs. Elsie Briggs; Helen—Mrs. Marcus Holt; Mrs. C. von der Witt Jones—Miss Florence L. Wilhelm; president of the culture club—Mrs. Eldon Holt.

SMITH FUNERAL

The funeral of Frank Smith, aged 81, who died at the home of his daughter, Mrs. E. J. Kueppers, Youngstown, was held Monday morning at 9:30 at St. Patrick's church with burial at Calvary cemetery. Mr. Smith was a retired gardener and a former resident of Leetonia.

He is survived by two daughters, Mrs. Kueppers and Mrs. Fred J. Neheisel and two sons, Joseph and William, all of Youngstown.

Mr. and Mrs. Clyde Sipe and son, Frederick, of Youngstown, were Sunday guests of Mr. and Mrs. F. B. Hollinger.

Mrs. Alice Whitacre is ill at the home of her son, Frank Whitacre. Mr. and Mrs. Lester Wilkinson and daughter, Margaret Jean, of Salem, were Sunday guests of Mr. Wilkinson's sister, Mr. and Mrs. Dell McCoy.

Mr. and Mrs. Albert Fronk and children Merle and Hilda, visited Mr. Fronk's sister, Mr. and Mrs. William Pites, at Alliance Sunday.

Mr. and Mrs. Lee Royer have returned to their home after several months visit in Florida.

Robert Cushing and son, Robert, of Clayville, Pa., spent the weekend at their home here.

Mr. and Mrs. Leonard Howell have returned to their home here after spending several months in Youngstown.

HOMEWORTH

Mr. and Mrs. Faber Jolly of Kensington, were guests of Mr. and Mrs. Earl Thomas and Mrs. Margaret Johnson, Sunday.

Mr. and Mrs. Tracy V. Slough and Guy Slough of Berlin Center, called at the D. W. Thomas home, Sunday.

Miss Virginia Wernet of Akron, visited home folks, Sunday.

Norman Reese Funeral

The funeral of Norman Reese, 78, of Robertsville, brother of Harmon Reese, of Homeworth, was held at the Brethren church at Freeburg, Saturday afternoon. Burial was in the cemetery at Freeburg.

Mr. Reese was born at Freeburg a son of the late Mr. and Mrs. Edward Reese, and taught school for a number of years. He attended Mt. Union college. He was former postmaster and also had charge of a general store at Robertsville.

Besides his widow, he is survived by four daughters, Mrs. Effie Miller, Palm Beach, Fla.; Mrs. Lela Wentland, Robertsville; Mrs. Ruby Bowman, Canton, and Mrs. Grace Lott, Hackensack, N. J., two sons, Carl N., Alliance, and Harry at home, three brothers, Harmon, Edward and John and five sisters, Mrs. Samuel Stoffer, Mrs. Ada Aultman, Mrs. Emma Hartzell, Mrs. Ellard Hoppes and Mrs. John Irwin all of the immediate vicinity.

He was a member of the Brethren church.

Chester Powell of Alliance was a caller at Homeworth, Thursday evening.

Mrs. Victor Wickersham who underwent an operation in the Aultman hospital, Canton, is convalescing.

Russell Clarke of Alliance, was in Homeworth, Friday evening.

P. W. Freshley and Ray D. Thomas were in Canton, Thursday.

Mrs. Helen Smith was hostess to members of the Sardonyx club at her home in Homeworth, Thursday.

Husbands of members were entertained at the home of Earl Thomas, the same evening.

You Could Sell This Idea

YOU could sell to any young man or woman the idea of saving money regularly in a savings account.

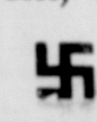

You could explain how much that growing fund would mean in the future—how it would ensure a higher education and a start in the business world.

You could point out how the process of saving something every month without a skip strengthens will power, builds character and makes for success.

Some people could sell this idea to others, but have not been able to sell it to themselves.

As established in Continent-wide tests, by 5,000 New Essex Challengers

All motordom saw the amazing results of Challenger Week.

The New Essex Challenger set outstanding marks in every locality. It climbed hills seldom attempted by any car. It set new marks for acceleration. It established economy results never before associated with such performance. It made inter-city reliability and endurance runs that take place with the industry's great marks.

These feats were established—not by just a few hand-picked specially tuned cars—but 5,000 Essex Challengers in all parts of the country, many of them owner-driven. The results speak for what any and every New Essex Challenger can do.

We continue our invitation to

Ride—Ride—Ride! Know from personal experience what this brilliant New Essex Challenger can do. Then no lesser car can satisfy.

COURT NEWS

Files Divorce Action
 George P. Merriman, through his counsel, Robert E. Hall of Lisbon, has filed an action for divorce in common pleas court, charging his wife Blanche A. Merriman with three years' wilful absence. The couple were married Jan. 7, 1925, and the present whereabouts of the defendant are unknown. An affidavit for constructive service by publication has been filed with the petition.

Sues For Damages
 Priscilla E. Buchanan has entered suit in common pleas against the Southern Surety Co. for \$5,000 claimed to be due her as the result of the accidental death of her husband John F. Buchanan Jan. 16, 1929. The decedent held a policy with the company which called for the payment of \$5,000 for accidental death. Buchanan was killed in an

automobile wreck on Pennsylvania avenue, East Liverpool, when the machine collided with a traction car. Summons is to be served upon A. P. Hughes of East Liverpool, an agent for the defendant.

Adjudged In Contempt
 After being cited three times for contempt of court, Harold Congrove, defendant in an alimony action filed against him by his wife Mary Jackson Congrove, has been adjudged in contempt by Judge W. P. Jones. Congrove has been ordered to be confined in the county jail until he complies with the order of the court or until he is otherwise legally discharged.

Asks To Foreclose Contract
 Foreclosure of a land contract is sought in a petition filed in court by Marion Ruff and others against Oliver Linton, 427 West State st., Salem. The petition asks for the payment of \$1,768 owing the plain-

tiffs on an agreement to purchase 3.87 acres in section 26, Knox township, or the foreclosure of the land contract.

Petition Filed
 The Scott Lumber Co. of Wellsville, which recently obtained a judgment before Justice of the Peace J. W. Riley at Wellsville for \$50.30 against Minnie and William Curry has filed a petition in court against the defendants, in an action to marshal liens.

Real Estate Transfers
 Real estate transfers have been filed for record as follows:

Sustains Motion
 Judge W. P. Jones has sustained the motion to discharge the attachment in the case filed by Priscilla P. Walker against Harry W. Hutten, in which action \$4,000 bond was required. The reason for the discharge was that the notary public

before whom the affidavit was made is the attorney for the plaintiff.
TARRYTOWN, N. Y.—John D. Rockefeller, Jr., has 500 men at work rerouting a railroad to remove annoyances at his country estate such as smoke and cinders interfering with golf. With purchase of rights of way and construction the work will cost \$3,000,000.

Wonderful News for Fits Sufferers

Brooklyn, N. Y.—Most stubborn cases of epilepsy have been stopped by new remedy. Thousands of sufferers have been helped. If you have fits, write at once to Phenoleptol Company, Box 71, St. Johns Pl. Sta. Brooklyn N. Y. Dept. 694 for free booklet.—Adv.

"I AM YOUR FATHER," SAID JUDGE McINGLENOK

"No, no," cried Oleomargarine from the prisoner's dock. "I well remember the cracked tones of my father's voice as he drove poor mother and me out into the snow."

"But, dear, OLD GOLDS have put this clear, smooth tone in my voice."

They fell into each other's arms. The lawyer, the prosecutor, and the jury all smiled through their tears and reached for an OLD GOLD. Not a cough in a carload.

FOUR YEARS OF NEURITIS SUFFERING CURED

Minds Owa-Ton-Na Equally as Successful in His Case As in That of His Wife

"After suffering three years with stomach trouble, rheumatism and neuritis, I was pretty well disgusted," says Mr. James Thomas, 1949 3rd St., N. E., Canton, Ohio. "Why, I had taken so many things but nothing seemed to give me any relief. My wife had had such wonderful results with Owa-Ton-Na that I finally decided to see whether it would help me; and now I am as enthusiastic about this fine old Indian Remedy as she is for it didn't take long to remove those terrible rheumatic pains and it corrected my stomach disorder and kidney trouble."

"My appetite is wonderful. Where I used to suffer with severe attacks of indigestion if I ate certain foods, I can now eat almost anything I want without fear of suffering. My bowels are acting regularly, headaches and backaches which used to cause me no end of misery are a thing of the past. What pleased me most was the way it conquered those terrible neuritis pains that would make me suffer for days at a time. I am satisfied now that all these recommendations I have heard about Owa-Ton-Na are authentic and I

MR. JAMES THOMAS

gaily recommend it to other sufferers for it brought me relief after many other things I had tried, had failed.

Excellent Results Obtained At Salem Concern For Years

It is time now for you to have
your rugs put into new life and to
restore their beauty by a thorough
cleaning. That is one of the pro-
cesses you cannot do at home with
much success, and it is mighty hard
work to try to do it without the
proper machinery. Floor coverings
furnish the keynote to the house's
furnishing. If they are dingy and
grimy no other article looks well.
More than that, the dirt working
through the wool of the rug will
cut it in a hundred minute places
and greatly shorten its life. Both
economy and appearance demand
that you have your rugs cleaned by
an expert.

Wark's, Inc., Salem's great clean-
ing house, at 166 South Broadway,
offers you a modern renovation ser-
vice. When you send your rugs to
this place every particle of dirt and
grit is removed not only from the
surface, but from the body of the
rug. Then, with pure soft soap
jelly the rug is gently shampooed,

over and over again until every par-
ticle of dirt is removed, every sol-
vent stain is taken out and germ
life is killed. Successive rinsing fol-
lows until the soap is entirely re-
moved, and the rug is stretched out
to dry. By this process the nap is
raised and stands out clean in its
original color and beauty, and the
life of the rug is actually prolonged.

Expert attention is given each
job. Only those cleaning agents
that have been carefully tested are
applied—there is no strong chemi-
cal used to make a temporary
brightness. The most delicate col-
ors and the finest weaves may safely
be entrusted to the Wark's clean-
ers with the assurance that the
work will be done in the best pos-
sible manner.

Not only is this service extended
to rug cleaning, but your clothing
and your laundry are taken care of
in the same spirit by this house,
which is equipped thoroughly to
perform all kinds of cleaning service
promptly and effectively.

Radios Given Thorough Test Before Being Placed

With all the wealth of the pro-
grams on the air every day, one
wants to feel that he can get what
he wants with certainty. It is more
than disappointing to have one fea-
ture to which you have been look-
ing for a week of anticipation
knocked out by some trifling disar-
rangement in your set. Not all peo-
ple are sufficiently ingenious to re-
pair these instantly, either. So the
set of reliability is the set most peo-
ple want.

That is one of the big features of
the McMILLAN and the Commander
sold locally by the Lease Drug So.,
and the E. L. Grate Motors com-
pany, and wholesaled by the Salem
Tool company. Not only is the
manufacture of these two machines
conducted with unusual carefulness,
and the design of the two of that
ruggedness that assures service, but
before either one leaves the whole-
sale house it is set up and tested
by the one man you would pick to
do that job, George Morrow, whose
long and prominent record shows
him remarkably well fitted for the
work.

Buying after such a test is prac-
tically buying with the certainty
you could if you engaged Mr. Mor-

HOT CROSS BUNS AVAILABLE HERE

Past Years Find Custom
Growing; Famous Dairy
Plans Supply

An Easter without hot cross buns
is an Easter that is lacking some-
thing both custom and taste decree.
The custom has grown with the
years, but the greatest factor has
been the ease with which these can
be obtained now. The Famous Mar-
ket will have its usual supply ready
for the housewives of Salem and
vicinity, and it is well to get the
orders in early.

The Famous Market, at 145-151
East State st., prides itself as much
on the quality of the goods it bakes
for the public as the housewife can
in those she sets before her family.
No ingredients are too good to go
into the articles baked here; no ef-
fort is too great to secure the best in
tasty viands.

A big variety of goods is fresh
every day, so the housewife who
wants to add something tasty to her
menu may save herself time and de-
light her family by stopping at the
Famous market, and making her
choice or telephoning 529 for prompt
delivery.

Used Parts Service Saving To Many Motorists Of Day

Towed into Salem a few days ago
from about four miles out, a motor-
ist from another state found him-
self in a bad predicament. He had
stripped a gear. Ordinarily that
would not have meant much, but
this man had a good car of a dis-
tinct make—one of the many
that have been built in various
parts of the country, but which have
not been able to compete with the
big fellows.

Stock Cars Show Great Strength In Severe Tests

H. Stallsmith of the Salem Stor-
age Battery company, local agents
for Marmon cars stated today, "I do
not believe it is possible to obtain
as high a value in motor cars as the
Marmon is showing this year from
any other manufacturer, at any-
thing like the same price, and I
make this statement after as care-
ful study of the subject as I am
capable of making. The Marmon-
Roosevelt, which sells for around a
thousand dollars is a car that can be
compared with those in the class
costing twice as much in appearance
and comfort, and in the power plant
no other car of any kind has ever
gone through such a test as was
given the Marmon-Roosevelt when
it went for 18 days on the Indianap-
olis speedway without a stop.

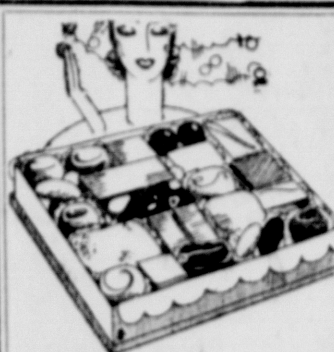

"When finally a storm that made
the Speedway impossible compelled
this car to stop, not a part had
given way, or had been worn to any
appreciable extent, and not a bear-
ing or valve had to be replaced.
Such a record is almost unbeliev-
able, yet it shows what a manufac-
turer who specializes on straight
eights can put into a car nowadays
for \$1,000.

"Since the car used was a stock
car, just such a one as is delivered
to the customers, they have a right
to expect such rugged strength in
the cars they purchase, and judging
from the reports of those who are
driving Marmon-Roosevelt cars any
one of them might undergo such a
severe test and come out as well
as this one did."

Hendricks Prepares Candies For Easter

Easter is a feast day. It is the
awakening of the world from the
letargy of winter into the abun-
dant life of spring. Everywhere
it is celebrated with happiness. You
can add happiness to the day by
taking home a box of Hendricks
fine candies and surprising the
folks.

This candy is making a name for
itself throughout this section of the
country. It is sold in a number of
cities, where it makes headway
against all others because of its ex-
ceeding goodness. The finest choc-
olates, the most grateful flavors
and the purest cane sugar, put to-
gether with the greatest of care in
the style that comes from Hen-
dricks Candy Shoppe, it is a worthy
gift at all times.

For Her—
Easter

Here's a tip fellows—You'll be
irresistible if you're armed
with a box of

Hendrick's

Four out of five prefer it—
plain or fancy boxes.

No local garage represented this
line of cars. So far as any one was
able to find out, that gear had to
come from Chicago. It meant that
the car must be left in Salem for
at least a week while the parts were
on the road and being installed, go
on his journey and come back later
for his car. Aside from the incon-
venience, the expense of four people
travelling a long distance by rail
was no jest.

Somebody suggested he call up the
Axelrod Auto Wrecking company on
the chance that they might have the
part. With a little used car, it did
not look as if it was much of a
chance, but when Manager Julius
Axelrod found he did not have the
part he got busy on the telephone,
finding it at the Steubenville plant
of this company. The next morning
it went into place, and the owner
departed in happiness.

That same service can be done
for you in the case of a breakdown.
It must indeed be a rare part that
the company cannot find in its
warehouse or in one of the five
plants in this part of Ohio. Every
day sees some motorist availing
himself of this place. Here he can
get everything from a used tube or
battery to a differential, and at a
price that often causes a gloomy
fact to break into smiles.

The company is located at 76 East
Pershing—telephone 922-W.

Flowers Suitable For Easter Gift

Easter without its flowers would
be a drab occasion. Maybe the floral
custom originated in the pagan
spring festivals, when the world was
young. If so, we owe one to the
pagans, for the celebration of this
day is almost universal, and almost
as universal is the custom of cen-
tering a large part of the festival
on flowers. Cut flowers are espe-
cially attractive after the Easter
lilies have been provided, and both
of these can be found in profusion
at the Endres Floral company's
store at 737 East State street, which
just now is a bower of spring
colors.

Potted plants too are popular at
Easter. The festival is one of the
awakening of spring, the coming to
life of the departed, and nothing
signifies it better than the gorgeous
bloom that has come from the dor-
mant bud. A phone call to either 37
or 26 will bring some of these beau-
ties to your home, to the great de-
light of the home folks and your
own gratification.
